INFORMATION:

Western Pacific Region Index Medicus (WPRO).

The Western Pacific Region Index Medicus (WPRIM) is the regional bibliographic index of medical and health sciences journals published by the Member States of the Western Pacific Region. This is the Region's contribution to the Global Index Medicus (GIM) initiative which aims to extend to all the benefits of the knowledge that is essential to the fullest attainment of health. WPRIM allows free public access to research and publications that may not be available through other popular medical indexes.

The website of the Pacific Journal of Medical Sciences (PJMS; Pac J Med Sci) has migrated to a new platform. Please take note of the new website address: www.pacjmedsci1625.com.
